

AIDexToken Whitepaper

Version 1.5
January 2025

Table of Contents

1. Executive Summary
2. Market Analysis
3. Problem & Solution
4. Technology Overview
5. Tokenomics
6. Roadmap
7. Team & Advisors

- 8. Partnerships
- 9. Risk Analysis
- 10. Conclusion

1. Executive Summary

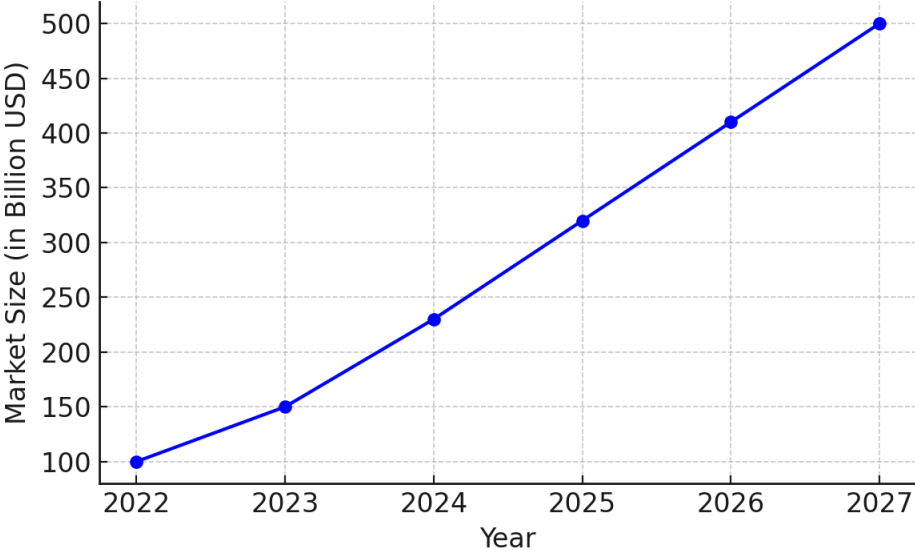

AIDexToken (AIDEX) is a pioneering platform that integrates Artificial Intelligence (AI) and blockchain technology. Our mission is to make AI accessible for everyone by providing no-code tools to develop, deploy, and monetize AI solutions in a secure and decentralized ecosystem.

2. Market Analysis

The global AI market is projected to reach \$500 billion by 2027, driven by automation and smart technologies. Blockchain technology continues to grow, supporting transparency and security in digital ecosystems.

Global AI Market Growth (2022-2027)

3. Problem & Solution

Problem: High development costs and complex infrastructure hinder AI adoption by small businesses and individuals.

Solution: AIDexToken simplifies AI development with no-code tools and blockchain integration, making AI accessible, secure, and scalable for all users.

4. Technology Overview

AIDexToken leverages cutting-edge neural networks and smart contracts to automate workflows. Key features include:

- No-code AI development tools
- Blockchain security and transparency
- Smart contract automation
- Cross-chain interoperability

5. Tokenomics

Token Name: AIDexToken (AIDEX)

Total Supply: 100,000,000 AIDEX

Token Distribution:

- 50% – Community & Ecosystem Growth
- 15% – Development & Technology
- 10% – Private/Seed Sale
- 10% – Team & Advisors (24-month vesting)
- 10% – Marketing & Partnerships
- 5% – Reserve Fund

6. Roadmap

Q4 2024: Formation of the core team and platform development begins

Q1 2025: Token launch and community growth

Q2 2025: Beta release of the no-code AI platform

Q3 2025: Ecosystem expansion through strategic partnerships

Q4 2025: Full platform launch and global scaling

7. Team & Advisors

Our team consists of experts in AI, blockchain technology, and strategic business development. Our advisors offer insights into scaling operations and entering global markets.

8. Partnerships

AIDexToken collaborates with blockchain networks, AI startups, and tech innovators to expand the platform's capabilities and drive mass adoption.

9. Risk Analysis

Risks include market volatility, regulatory uncertainty, and technological challenges. We mitigate these risks through compliance, innovation, and strategic planning.

10. Conclusion

AIDexToken is revolutionizing the AI and blockchain sectors by making AI development accessible, secure, and profitable for everyone. Join us in shaping the future of technology.
